# TERMS AND CONDITIONS

1. The terms of this sale are cash. Each animal will be at purchaser's risk as soon as bid off, but will not be delivered until settlement has been made. Cattle will be cared for and loaded on cars or trucks free of charge but at the purchaser's risk of loss or injury.

2. All cattle are absolutely healthy in every respect and will have passed the tuberculosis and Bangs disease test within thirty days of the sale. Health certificates will be furnished where required to ship into any state or territory.

3. Certificates of registry with transfers entered and recorded in the buyer's name will be furnished with each lot sold and an application will be furnished for every calf at foot and every calf carried in dam.

Certificate of registry with transfers entered will also be furnished for the calves at foot whether sold separately or with dams if so requested on sale day from the sale clerk.

4. The Meiske Herd is backed by an enviable reputation gained through good management and honest business practices. The pedigrees are correct and the cattle are healthy.

Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed he may be returned to the seller if in as good condition as when sold; if, after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All over cows and all heifers over sixteen months old at the time of sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation. All case of failure to breed shall be reported to the seller within 90 days from sale day.

5. The above terms constitute a joint contract between John Meiske & Sons, the sellers, and the buyer of each lot. Neither the Sale Manager nor the person delegated as Clerk assumes any liability, legal or otherwise.

6. Although we will use every precaution to provide for the comfort and safety of our guests, all persons who attend this sale do so at their own risk and the owners assume no liability, legal or otherwise, for any accidents that may occur.

---

The John Meiske & Sons herd was established in 1946 after the junior members of the firm had made a very fine record in junior 4-H club work with Shorthorn calves. When they went out to buy foundation females they went out and bought the tops that were offered in the leading sales. When they went out to buy herd bulls they used the same sound judgment and care. As you study the catalog these facts will be evident to you.

That they built the herd soundly and well is demonstrated by the grand group of females that have been produced and retained in the herd. It is further demonstrated by the fact that a steer bred, raised and purchased from this herd was the reserve champion Shorthorn steer of the 1955 International Junior Show.

You will note that the offering in this dispersion is of the same breeding, bloodlines and quality that have produced well in other Shorthorn herds. I am sure that the two proven herd bulls, the good headed thick, wide, roomy and lowset cows, and the extremely high quality heifers will appeal to those looking for the right kind of Shorthorns. The 16 3 in 1 combinations, the bred cows and heifers and the open heifers are ideal for establishing new Shorthorn herds or for herd replacements in other herds. Many of the calves at foot will make ideal 4-H club prospects since this herd has established an enviable reputation for furnishing top calves.

**REMEMBER** that it is only in dispersions that grand producing females such as these are offered for sale.

You are urged to help yourself on sale day, SEPTEMBER 28 at SPENCER, IOWA.

ALBERT J. HAMANN,  
Sale Manager.

## ***A Word from the Meiskes—***

We established our Shorthorn herd in 1946 because we liked Shorthorns. We tried to use the utmost care in purchasing our foundation stock. Our herd bulls and foundation females did not disappoint us as they produced the kind of Shorthorns it was our aim to produce.

We have enjoyed our Shorthorn herd and it has been good to us. Therefore, the decision to disperse the herd we have developed was a hard one. However, due to the senior member of the firm desiring to curtail his livestock activities, and the junior members of the firm following separate lines of endeavor, a herd dispersion was the only logical answer. Therefore, the entire herd is being offered without reservation.

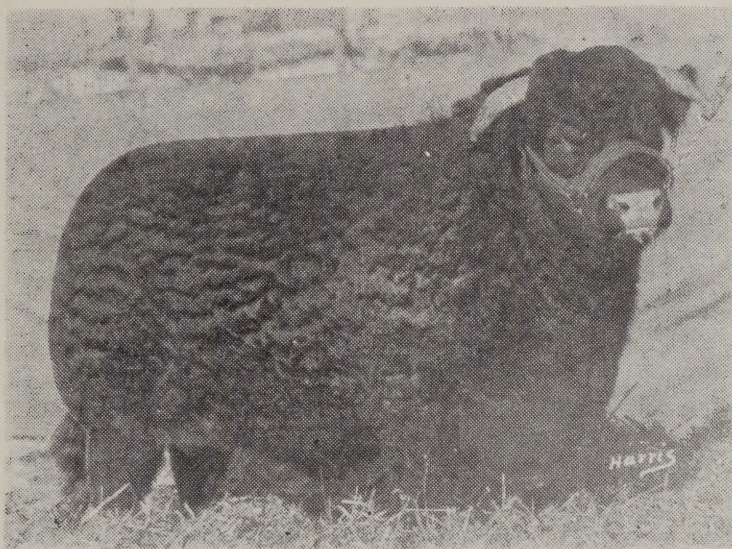

The cows in the herd have all been regular producers and the heifers are bred to be producers. Calfhood vaccination for Bangs has been practiced in the herd since it was established.

We shall miss our Shorthorns but we honestly recommend them to others because we are confident they will do well for them as they have done for us.

We hope that you will be with us on sale day, SEPTEMBER 28 at SPENCER, and make your selections from this comparatively young producing herd.

**REVELATION**—This good-headed, thick, deep, lowset, smooth fleshed and well balanced bull has been an outstanding sire. At 6 years of age he sells fully guaranteed and is sure and sound in every way. His breeding is of the best. He is sired by the noted Imp. Lawton Priam who has sired many champions and International Sale tops. Note that the dam is from a great producing Marshall Augusta family. Revelation sired the reserve champion Shorthorn steer in the 1955 International Junior Show. His half brother by the same sire sired the champion group of three steers. This bull has a great group of 30 outstanding females sired by him in this sale. He is a bull that could go on and do a great job in a top herd.

**EDELLYN ROYAL LEADER 56th**

Former herd sire. 13 females in this sale by him sell. This great bull was a full brother to Edellyn Royal Leader 83d who sired the 1952 International champion steer over all breeds, Ohio Leader, and also a full brother to Edellyn Royal Leader 19th who sired many champions in the Don Hill herd.

**ALBERT 25th**—This tried and proven junior herd sire was purchased as one of the tops in the 1957 Iowa Royal Sale. He is good headed, short coupled, with great spring of rib and good quarters. He stands on short, sturdy legs and is a rich dark roan. His sire was one of the tops in an International Sale and his dam is backed by rich proven breeding. This bull saw considerable service in the Aldinger herd and 24 of the females in this sale carry his service. This strong 2-year-old can solve someone's herd bull problem.

SUNCREST EMMA 3d—One of our greatest producing cows by Edellyn Royal Leader 56th and out of a dam with a noted background. She is the dam of the steer, "Little Boy" that was bred by us and shown to the reserve championship of the junior show at the 1955 International. She has never produced a poor calf. Was bred May 19th to our junior herd sire, Albert 25th. Here is an opportunity for someone to buy a great producing young cow.
